Hej!

Jag har ett medborgarförslag om att måla upp som bifogade bilder visar för att på ett pedagogiskt sätt lära barnen i skolan.
självlärt ska det översättas till svenska. Men förslaget är inte någon stor kostnad att genomföra och ger så mycket tillbaka till eleverna.
Det bygger på samma grund som exempelvis Tom Tits i Södertälje.

Jag önskar att få ett skriftligt svar när ni har bearbetat förslaget och gått till beslut.

Hälsningar
